

AUTOMATIC STAINLESS DISPENSERS-BULK REFILLS

Safe Foods Chemical Innovations' automatic dispensers allow the user to simply place their hand under the unit, and a fixed amount of solution (either hand sanitizer or hand soap) will be dispensed. Additionally, the bulk-style refill design ensures the end user does not get locked into purchasing cartridge style refills.

FEATURES

- ▶ Durable stainless-steel design
- ▶ Touch-free system
- ▶ Wall mounted (or optional stand available)
- ▶ Atomized dispensing of liquid soap or hand sanitizer
 - Recommend use of PSSI E-San for sanitizer and Foaming Handsoap (KC-295) for soap
- ▶ Battery operated
- ▶ Indicator lights for "in use" and "low battery"
- ▶ Refillable reservoir for bulk style refills
