

KC-199 ANTI-FOG

Our anti-fog solution provides a quick preventative step to keep all glass and plastic eyewear fog-free in any environment.

FEATURES

- ▶ Ready-to-use spray solution
- ▶ Rapid evaporation
- ▶ Prevents fogging on goggles, safety glasses and other glass/plastic surfaces formed by condensation in hot or cold temperatures

APPLICATION

- ▶ Apply a small amount directly on both sides of the lens of eyewear or surface. KC-199 can be applied either through our quart-sized spray bottle or dispensed in bulk through our touchless Electric Anti-Fog Dispenser.
- ▶ With a non-abrasive cloth, wipe to cover all areas of the surface with solution
- ▶ Let solution air-dry
- ▶ Avoid touching/rubbing lens or surface after application
